

Nordic EV Summit 2021 postponed due to COVID-19 precautions

Due to current and potential future restrictions and uncertainty related to the COVID-19 pandemic, we have made the decision to postpone the event from 21st and 22nd of April 2021 to 10th and 11th of November 2021.

The health and safety of our participants is of utmost importance for us, so it would not be responsible for us to go ahead with the event at the original date in April. We believe and hope the pandemic is under control and that we once again can meet each other the **10th and 11th of November 2021**.

While it is disappointing to reschedule, we encourage everyone to follow the guidance of the World Health Organization and local public health officials and look forward to seeing you at Nordic EV summit 10th and 11th of November 2021.

All purchases for the April dates will be honored for the rescheduled November dates. Ticket holders can refer to the FAQ section on the Nordic EV Summit website for more information: <https://nordicevs.no/faq/>

We'll keep you posted if anything changes.

Stay safe!

Warm regards,
The EV Summit Team
